Poly Prep seeks applicants for an anticipated position of Science Teacher. Teachers with Middle and/or Upper School experience are encouraged to apply. Qualified applicants will have a strong understanding of current trends in science education; a modern approach to science instruction and assessment; excellent content knowledge; a commitment to professional learning, and proven success in working in a collaborative environment. The position requires a passion for teaching and learning; enthusiasm for working with students, families, and colleagues; flexibility; and a sense of humor.

PRIMARY RESPONSIBILITIES AND ACCOUNTABILITIES

Teaching:
- 4 sections (either Middle or Upper School based on experience/qualifications)
- Eagerness to work with students on an individual basis, as need be
- Commitment to innovative instructional and assessment practices
- Ability to keep accurate grades, effectively and supportively communicate with students and families, and provide written and oral feedback on student progress consistently throughout the school year

Additional Responsibilities:
- Advise a club or activity
- Demonstrate energetic commitment to professional development, including collaborative work for planning and alignment
- Attend and contribute to meetings during and after the school day, including, but not limited to, departmental, committee, divisional, and grade-level meetings
- Attend community events throughout the school year

QUALIFICATIONS

Education:
- Bachelor’s degree in a science discipline is required
- Master’s degree preferred

Experience:
- 3 years of teaching experience in either upper school life science or middle school physical science.
- Working knowledge of Next Generation Science Standards and current
Poly Prep strives to be an equitable, just, and diverse community, one proud of and deeply committed to empowering students to discover who they are and what they want to be. In keeping with the country day school philosophy, we seek community members who will share a passion for learning in and out of the classroom. Every educator at Poly Prep aspires to uphold our mission “to support and inspire the next diverse generation of leaders and global citizens to act with intelligence, imagination and–above all–character.”

We offer a great environment, with a full benefits package (medical, dental, vision, life insurance, a generous match on our 403(b) retirement plan, long-term disability, flexible spending account, pre-tax commute benefit, and free lunch).

How to Apply: Interested applicants should send a cover letter and current resume detailing their interest in the position and specific evidence of their qualifications to Todd Samet, Chair of Science Department at hiring+science@polyprep.org.
